

**FANCY A
CHALLENGE?
WANT TO HAVE
SOME FUN?
THEN TRY AND NAVIGATE
YOUR WAY AROUND
LITTLEMOOR PARK,
LOUVIERS RD,
WEYMOUTH. DT3 6AY**

Orienteering is a Sport for All - all abilities and all ages: children, families, groups of friends, wheelchair users, keen walkers, runners and international athletes.

This introduces you to orienteering at Littlemoor Park. It is a small park off Louviers Road on top of a ridge on the edge of Lorton Meadows and has superb views down to Weymouth Bay and the Dorset coast. There's free parking at the west end of the park (which also gives access to Lorton Meadows Nature Reserve) and the Top Club.

There are three length courses, a short 500 metres, medium 1250m and long 1400m. You always start and finish in the same place and can choose any course you like - perhaps all three, if you're up for the challenge of doing 3 loops!

The aim of the sport is to navigate around your chosen course from Start to Finish and to visit all the control points on the way in the order given.

What you need:

1. Download and print the map and control descriptions from this website.
2. A smart phone or pen and paper to record your course.
3. Choose one of the three courses available.

How to take part:

1. If you are using a smartphone download the free app from: **oriento.uk**
2. Find the start/finish symbol  on the map and find your way there!
3. Scan the start QR code on the start marker to begin. 
4. Follow the sequence of letter markers on the map scanning each QR code for the course you have chosen.
5. Scan the finish QR code to register your time.
6. Upload your results to the app and see how you compare to other people.

You can visit many other Permanent Orienteering Courses:
